Sample Student (Year 1, Samples) -

Breakfast Club

We have been reviewing our Breakfast Club provision in light of a request to bring forward the start time to 7.30 am to help working parents.

We would like feedback from parents as to whether they would use this extended facility between 7.30 and 8.00 am in order for us to ensure we can staff it appropriately, whilst still covering costs. We believe the below prices still reflect excellent value for money but we may need to do further research on charging depending on the numbers wishing to take up the extended provision.

Children dropped off from 7.30 am to 8.00 am	£5.00
Children dropped off after 8.00 am	£3.00 (same as now)

The above charges would include breakfast but please note that breakfasts are not served after 8.30 am.

Please respond by this **Friday 15th September** in order for us to be able to confirm to you if / when this change to the start time will go ahead.

Would you use this extended facility? (Please select one)

- Yes I will use it straight away between 7.30 and 8.00 am
- I might use it in the future between 7.30 and 8.00 am
- I am unlikely to use it between 7.30 and 8.00 am

I will use it on the following days between 7.30 am and 8.00 am

Monday

Tuesday

Wednesday

Thursday

Friday

Please let us have any other feedback / comments
